New Era.

What a momentous week we have had. We have finally reached our new home on Commons Road and are now in our splendid new school. The children, parents and teachers have all been thoroughly enjoying our new building and we are all settling in well and making the most of the plentiful space. The builders are still working away upstairs on the second level and they should be finishing up in the next week or so.

When they have gone we shall have the opportunity to invite all of our parents and friends to come and view our outstanding new home.

Assembly.

Next week's assembly will be held by Sarah's class and will take place in the gym.

Dropping off in the Morning.

We understand that with our new location parents are trying to adjust their morning schedules to ensure that children arrive on time. Many children have been arriving to school well before it starts at 9.00am. We would like to remind you that the bus children (just for the remainder of the term) will be permitted to arrive at 8.40 am. School starts at 9.00 am for everybody else. If you need your child to come to school earlier please stay with them to supervise them or enrol your child into our very popular breakfast club.

New phone Number.

The new telephone number for the school is **046 9060305**. Please make a careful note of this in case need to contact us.

Thank you.

We would like to take this opportunity to thank everybody so much for all of their good wishes and particularly for all the extra work that everybody has been doing to make this move so smooth and successful.
