Assembly.

Senior Infants held a fabulous assembly dramatising "Farmer Duck"; A story all about co-operation. They really pulled out all the stops. Well done!!! Next week's assembly will be held by Colin's class and will come from the Belief Systems Strand of the Learn Together Programme.

R.D.S. Science Fair.

Very well done to Ruth's class. We are extremely proud of their achievements at the R.D.S. Science Fair. The children arrived back with a trophy and certificates. They learned a lot through this experience and described their work and findings to those gathered at our assembly yesterday. There is also a photo of them in this week's Meath Chronicle. Many thanks to the parents for helping with transport.

Skip n Rope.

This week we had Mark from Skip n Rope come in to the school and do skipping workshops with all classes. This was a wonderful experience for all of the children who thoroughly enjoyed it and improved their skipping skills immensely.

Next Monday the North Leinster Spikeball Competition will be taking place in Drogheda Grammar School. We will be sending 5 teams and we wish them all the very best of luck and hope that they have a great tournament.
