Assembly.
Senior Infants held assembly this week and the theme was Chinese New Year. The children told us why the years in the Chinese calendar are named after animals. They also performed a marvellous drama. Well done!!! Next week's assembly will be held by 5th/6th class and the theme will come from The Moral and Spiritual Strand of the Learn Together Programme. Thank you to all of the parents who attended this week's assembly, your support is very much appreciated.

School Photos.
We would like to thank all of the parents who gave their time, energy and equipment on Thursday to take this year's school photos. Thank you to everyone who supported the PTA in this endeavour. All funds raised go to the school.

Note from P.T.A.
Many thanks to everyone who contributed to making yesterday's PTA school photos fundraiser a success — to the parents who purchased portraits, the teachers who cheerfully endured class interruptions, the volunteers who took the photographs and organised the event and the children who gave their bright smiles! The PTA would especially like to thank Eilish in the front office for co-ordinating order forms and payments. The post-production work now begins. Your patience is appreciated as the team of volunteers edits the shots and sends them out for printing.
There will be a PTA meeting next Thursday the 14th after assembly in the Russian Room. All welcome to attend.

Tuck Shop.
This month's tuck shop will take place on **Thursday 28th February**. Please send in buns, tray-bakes and treats.

Friday 1st March
The **school will close on Friday 1st March** to allow staff to take part in Continual Professional Development in the Primary Language Curriculum.
