Assembly

First class held today's assembly and they told us the story of The Rainbow Fish. The children spoke beautifully about the importance of sharing, treating everyone with dignity and respect and how "happiness is an inside job". They also sang a lovely song about how they are all sharing and caring and friendly. Well done 1st Class! Next week, Friday 3rd February at 9.20am, 6th class will be performing our annual Friendship assembly. Parents are welcome to attend.

Tuck Shop

Today, the PTA held their end of the month Tuck Shop for the children. Thank you to the parents who sent in donations of treats and goodies and thank you to the parents who gave up their time to run the tuck shop. As always, the children enjoyed their treats!

Aldi Stickers

The Aldi Play Rugby Sticker promotion is running again. Collecting these stickers gives the school a chance to win a top prize of €50,000, or other prizes of €5000, to spend on school playing facilities. This would go a long way towards helping to develop the land at the back of the school. If you currently shop at Aldi, please collect these stickers at the till and send them into us each week. Thank you for all of the stickers we have so far!

Drop off and collection

To ensure the safety of our children, all children must get in and out of cars directly on to the footpath. Please do not pull up alongside the outside of other cars which leaves the children to walk between cars to get to the footpath.

School Inspection

This week, we welcomed the inspectors back to the school for the final part of the Child Protection and Safeguarding Inspection. The inspectors commented on the positive atmosphere in the school and spoke very highly of our children.

Message from the PTA

Hi All,

Happy New Year to you. Here are a few updates from the PTA.

- We have updated the school website on what the PTA does. The Parent Teacher Association facilitates parental involvement in the school. It gives you, the parents, a voice within the school community to actively participate in the development and running of the school. If you would like to read more about the PTA involvement, check out the website <http://navaneducatetogether.ie/about/parents-association/>
- If you are interested in a bus from the Kells area to the school, please contact Aurore on netparentteacher@gmail.com
- After the feedback received in relation to messages in the what's app groups a survey has been made and is linked below. This will include areas for suggestions/feedback and ideas for events you would like to see. It will also include an opt in volunteer group for upcoming events. You do not need to be a member of the elected committee to be a part of the group and you are not required to volunteer for all events just any you may be available for. Please click on the link here to complete the survey <https://www.surveymonkey.com/r/DYBDH3M>
- And finally due to an insufficient number of volunteers for the friendship disco scheduled for the 4th of February, we will have to cancel this event. There is a minimum number of volunteers required to ensure the safety of the children and unfortunately this was not met.

Thank you

The PTA
