4. The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

The Relevant Teachers in this school are:

Principal and all members of teaching staff

Any teacher may act as a relevant teacher if circumstances warrant it.

5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying, homophobic and transphobic bullying) that will be used by the school are as follows:

Education and prevention strategies

- School-wide approach**
- A school-wide approach to the fostering of respect for all members of the school community.
 - The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
 - The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
 - Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it-prevention and intervention.
 - Professional development with specific focus on the training of the relevant teacher(s)
 - School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community.
 - Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra-curricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.

- Involvement of the student council in contributing to a safe school environment e.g. Buddy system, mentoring, Lunchtime Pals and other student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Development and promotion of an Anti-Bullying code for the school-to be included in student journals and displayed publicly in classrooms and in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s) are given a copy as part of the Code of Behaviour of the school (every year).
- The implementation of regular whole school awareness measures during group assemblies, children using the "Nice Box".
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
 - Direct approach to teacher at an appropriate time, for example after class.
 - Hand note up with homework.
 - Make a phone call to the school or to a trusted teacher in the school.
 - Get a parent(s)/guardian(s) or friend to tell on your behalf.
 - Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
 - Confidence time? Once per month.
- Identify clear protocols to encourage parent(s)/guardian(s) to approach the school if they suspect that their child is being bullied. The protocol should be developed in consultation with parents.
- The development of an Acceptable Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored, as is the pupils' use of mobile phones.

Implementation of curricula at Navan Educate Together N.S

- The full implementation of the SPHE curriculum and the RSE and Stay Safe Programmes.
- School wide delivery of lessons on the topic of bullying from evidence based programmes, Stay Safe Programme and The Walk Tall Programme
- Delivery of the Garda SPHE Programmes at primary level. These lessons, delivered by Community Gardaí, cover issues around personal safety and cyber-bullying
- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.

6. The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

The school's procedures must be consistent with the following approach.

Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s)) understand this approach from the outset.

Reporting bullying behaviour

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

Investigating and dealing with incidents: Style of approach

- In investigating and dealing with bullying, the (relevant)teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;
It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;

- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
 - Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - Whether the relationships between the parties have been restored as far as is practicable;
 - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

Recording of bullying behaviour

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

Informal- pre-determination that bullying has occurred

- All staff must keep a written record of any incidents witnessed by them or notified to them. Consideration needs to be given to where the records will be made e.g. incident book. All incidents must be reported to the relevant teacher
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same
- The relevant teacher must inform the principal of all incidents being investigated.

Formal Stage 1-determination that bullying has occurred

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.

- The school in consultation with the relevant teacher/s should develop a protocol for the storage of all records retained by the relevant teacher.

Formal Stage 2-Appendix 3 (From DES Procedures)

The relevant teacher must use the recording template at **Appendix 3** to record the bullying behaviour in the following circumstances:

a) in cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour occurred; and

b) Where the school has decided as part of its anti-bullying policy that in certain circumstances bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable.

The school should list behaviours that must be recorded and reported immediately to the principal. These should be in line with the school's code of behaviour.

When the recording template is used, it must be retained by the relevant teacher in question and a copy maintained by the principal. Due consideration needs to be given to where these records are kept, who has access to them, and how long they will be retained. Decisions around record keeping should be noted in this policy.

Established intervention strategies

- Teacher interviews with all pupils
- Negotiating agreements between pupils and following these up by monitoring progress. This can be on an informal basis or implemented through a more structured mediation process
- Working with parent(s)/guardian(s) to support school interventions
- No Blame Approach
- Circle Time
- Restorative interviews
- Restorative conferencing

The Procedures mention the following intervention strategies and reference Ken Rigby;
[www.bullyingawarenessweek.org/pdf/BullyingPreventionStrategiesinSchools Ken Rigby.pdf](http://www.bullyingawarenessweek.org/pdf/BullyingPreventionStrategiesinSchools%20Ken%20Rigby.pdf)

- The traditional disciplinary approach
- Strengthening the victim
- Mediation -
- Restorative Practice
- The Support Group Method
- The Method of Shared Concern

7. The school's programme of support for working with pupils affected by bullying is as follows:

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.
 - Pastoral care system
 - Buddies
 - Care team / Student Support Team
 - Group work such as circle time
- If pupils require counselling of further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or involved in the bullying behaviour.
- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

- There are agreed appropriate monitoring and supervision practices in the school.
- Bullying danger spots have been identified.
- In relation to Acceptable Use Policy in the school:
 - All Internet sessions supervised by a teacher.
 - Hot spots tend to be in the playground/school yard/outdoor areas, changing rooms, corridors and other areas of unstructured supervision.
 - Hot times again tend to be times where there is less structured supervision such as when pupils are in the playground/school yard or moving classrooms.
- ☒ Support the establishment and work of student councils.

9. Prevention of Harassment

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

10. This policy was adopted by the Board of Management on 7th April 2014.

11. This policy has been made available to school personnel, published on the school website (or where none exists, is otherwise readily accessible to parents and pupils on request) and provided to the Parents' Association (where one exists).
